PROGRAM DIRECTOR

Oversees the entire program operation. Develops administrative and management procedures. Manages acquisition of resources including personnel. Leads in the development and implementation of strategic plans, policies, and procedures.

Establishes and implements short- and long-range organizational goals, objectives, policies, and operating procedures; monitors and evaluates operational effectiveness; effects changes required for improvement. Provides top-level supervision of client's programs, taking a lead role in securing resources for those programs.

Designs, establishes, and maintains an organizational structure and staffing to effectively accomplish the organization's goals and objectives; recruits, employs, trains, supervises, and evaluates unit staff. Develops and manages annual budgets for the organization and clients, performs periodic cost and productivity analyses. Plans and develops programs, including identifying resources and preparing proposals.

MINIMUM QUALIFICATIONS

Bachelor's degree with ten years' experience directly related to the duties and responsibilities specified.

ACCOUNT SUPERVISOR

Develops and maintains strong client relationships by providing strategic input and managing day-to-day business. Account Supervisor optimizes client business opportunities by driving continuous innovation, participating in the development/implementation of client promotion/marketing plans, and by demonstrating leadership with key internal departments. Key areas of responsibility include client relations, client business/revenue growth, development of promotion/co-marketing objectives, strategies and tactics,

client management, budget management, communication strategy/creative development, and legal compliance.

MINIMUM QUALIFICATIONS

Six to ten years experience, BA/S degree, and strong understanding of marketing and promotion principles.

ACCOUNT EXECUTIVE

Plans, directs and coordinates project activities to ensure fulfillment within prescribed time frame and budget.

MINIMUM QUALIFICATIONS

Bachelors degree in marketing communications or business. Three to five years experience in a full service advertising agency preferred.

ACCOUNT COORDINATOR

Responsible for organizing advertising for print media.

Providing coordination, scheduling and promotions to ensure client satisfaction and project completion. Assist Account Executives in maintaining and nurturing client relationships.

Serves as a liaison between clients and various internal departments.

MINIMUM QUALIFICATIONS

A bachelors degree is preferred with one year of field experience.

TRAFFIC COORDINATOR

Coordinates with Production and Account Services

Department to ensure that all materials and instructions are clearly marked. Forwards all creative materials to external vendors.

MINIMUM QUALIFICATIONS

Two to three years of advertising, production, graphic arts, and pre-press experience.

PRODUCTION MANAGER

Works closely with both the account managers/execs and the art teams, takes briefs for press advertising and manages the production using automated tools. Responsible for proof-reading and gaining final sign off for the ads.

MINIMUM QUALIFICATIONS

A bachelors degree is preferred with a minimum of four years experience in an advertising environment, either in a studio or admin-based role.

CREATIVE DIRECTOR

Responsible for developing advertising strategies. Directs the creative team. Prepares estimates at the concept stage.

MINIMUM QUALIFICATIONS

A bachelors degree in design or graphic communications. Ten to 15 years of experience preferred.

ART DIRECTOR

Working as part of a creative team, works closely with writers to create original ideas using a brief from the client. Interprets what the client wants to say in an interesting way.

Responsible for engaging other members of the team, such as illustrators, photographers, designers or Mac operators in the project. Develops and creates original concepts for multiple media including: TV/radio; websites; direct mailing; posters; training videos; multimedia CDs; adverts in the press. Oversees the work from the initial concepts, until completion of the finished product.

MINIMUM QUALIFICATIONS

BA degree in graphic design and or related graphic communications. Five to seven years of experience working at a full-service advertising agency.

SR. COPYWRITER

Works in a creative partnership with art director to conceive, develop and produce effective advertisements. Provides the verbal or written aspect of creative concepts. Develops original catch phrases, slogans and strap lines. Also includes writing various types of advertising such as: posters; press; leaflets; brochures; radio or television scripts.

Copywriters are often involved in the production process, which can include casting actors for voiceovers and dealing with production companies and directors or typographers, designers and printers.

MINIMUM QUALIFICATIONS

Ten years of copywriting experience in advertising, direct marketing, promotion or publishing. Working knowledge of Macintosh, proficiency with Word, experience with database tools and knowledge of Internet technology. A bachelor's degree in english, journalism, communications, advertising, marketing, direct response or promotion (or comparable work experience).

MEDIA DIRECTOR

Responsible for the development of strategic media plans. Orchestrates the most effective media mix for campaign.

MINIMUM QUALIFICATIONS

A bachelors degree in marketing or business administration. eighty to ten years of experience or equivalent.

MEDIA PLANNER

Responsible for planning and coordinating all aspects of media for print and broadcast.

MINIMUM QUALIFICATIONS

A bachelors degree in marketing or business administration. three to five years of experience or equivalent.

MEDIA BUYER

Researches media sources in each of the target markets. Negotiates rate, and volume discounts. Identifies and secures rates for print and broadcast media.

MINIMUM QUALIFICATIONS

A Bachelors degree in marketing or business administration. two to four years of experience or equivalent.

RESEARCH DIRECTOR

Analyzes, interprets and presents demographics, attitude, usage, and competitive position in the target market. Plans, implements and manages all aspects of quantitative and qualitative research.

MINIMUM QUALIFICATIONS

Bachelor's degree plus eight years experience or equivalent education and experience. Knowledge of standard methods of analysis in the research field. Knowledge of methods and techniques of compilation and analysis of research and statistical data. Ability to interpret results and translate into recommendations. Ability to compile information into report form.

RESEARCH ANALYST

Collects and analyzes data to evaluate existing and potential product/service markets. Identifies and monitors competitors and researches market conditions or changes in the industry that may affect sales.

MINIMUM QUALIFICATIONS

Bachelor's degree, and four years of experience in the field or in a related area. Has knowledge of commonly used concepts, practices, and procedures within a particular field. Relies on instructions and pre-established guidelines to perform the functions of the job. Works under immediate supervision. Primary job functions do not typically require

exercising independent judgment. Typically reports to a supervisor or manager.

WEB DEVELOPER

Writes code and determines all back-end specifications (i.e., functionality) for all web related initiatives. Works closely with web designer to build sites, intranets, extranets, etc.

MINIMUM QUALIFICATIONS

A bachelors degree in computer science, web design and/or graphic design. Five to eight years high tech client experience and/or advertising agency experience.

WEB PROGRAMMER

Writes and revises scripts and programs, creates and optimizes SQL queries. Proficient in JavaScript, CGI/PERL, Flash skills necessary, ASP, PHP, Visual Basic and MySQL

MINIMUM QUALIFICATIONS

Bachelors degree in computer science, web design and/or graphic design. Four to six years web-based and/or information technology client experience.

ONLINE STRATEGIST

Develops all online strategies. Handles all research and plans tactics including advertiser placement, pricing, scheduling and tracking.

MINIMUM QUALIFICATIONS

Bachelors degree in business is required. Must have significant experience in IT, on-line and web applications and consumer research.

DATABASE MANAGER

Responsible for managing the relationship with firms contracted to perform database updates; manages the updating of the database in accordance with contractual obligations; runs programs to load and extract information from the database; performs research to update and expand the database via phone and/or internet. Required skills include: Project Management; PC skills with an emphasis on Excel, and phone and internet research.

MINIMUM QUALIFICATIONS

Bachelors degree in marketing or business administration is required. Four to six years of experience in direct response, marketing, general advertising, and web-based applications.

ACCOUNT PLANNER

Determines the essence of the brand. Writes selling strategy, highlighting the main characteristics of the brand and determines how best to position the brand in the marketplace. Provides key insight that leads to development of creative strategy.

MINIMUM QUALIFICATIONS

Bachelors degree required. Prefer MBA in business or psychology. 8 to 10 years of consumer research, direct response, or general advertising experience.

pr specialist

Handles all media relations. Includes writing press releases, newsletters, media interviews, etc.

MINIMUM QUALIFICATIONS

B.A in communications or business administration. Three to five years' full-service public relations experience.
